

### **Fiserv Announces Executive Appointment**

Shrihari Gokhale to succeed Dr. Arun Maheshwari as the leader of Fiserv Global Services

**Brookfield, Wis., September 26, 2008** – Fiserv, Inc. (NASDAQ: FISV), a leading provider of information technology services to the financial industry, announced today that Shrihari Gokhale will join the company this week as president of Fiserv Global Services (FGS) based in India. Dr. Arun Maheshwari, who has held that position with oversight responsibility for Fiserv's wholly owned offshoring subsidiary since 2005, will retire at the end of the year.

FGS has quickly grown to more than 2,000 employees in less than three years with offices in Noida and Pune, India and Costa Rica. The offshoring subsidiary offers remote applications development, business process outsourcing and infrastructure services in banking, lending, electronic commerce, insurance, healthcare and investments to Fiserv business units, as well as external customers.

"We are saddened to see Arun retire and appreciate his tremendous efforts in launching Fiserv's initiative to globalize our workforce," said Douglas Craft, executive vice president of Operations for Fiserv. "We are also extremely fortunate to have attracted Shrihari to take up the reins at FGS. His vast experience and leadership skills will build on and enhance the execution of our Fiserv 2.0 strategies. We are pleased to have Shrihari on the team as we work to expand our offerings to our current and future Fiserv customers."

Gokhale, who has more than 20 years of experience, joins Fiserv from Barclays Technology Centre India, a subsidiary of Barclays Bank PLC, where he was responsible for building the international bank's first owned offshore IT delivery capability in India. Prior to joining Barclays in 2006, he served as executive vice president of Kanbay Inc., (now CapGemini Financial Services). During his tenure at Kanbay, he established their Global Client Services organization and Global Services Delivery organization across Asia Pacific, Europe, India and the United States. Gokhale was instrumental in growing Kanbay's offshore capability from 400 to 5,000 employees, and building specialized practices in financial services technology.

Before Kanbay, Gokhale worked in a variety of strategy and technology consulting roles with leading global consulting firms including Accenture, PriceWaterhouseCoopers, Covansys, and Tata Unisys.

Gokhale is a graduate of the Institute of Technology, BHU, Varanasi and earned his MBA from the University of Michigan, Ann Arbor, Mich. He grew up in Delhi, spent a majority of his professional career in the U.S., and now lives in Pune.
